

Auto Accidents

New York City Auto Accident Attorney

When a person suffers a serious injury or is killed in an auto accident, the family expects insurance companies to cover the costs of medical bills, lost wages, and pain and suffering. Too often, however, insurance companies try to make accident victims accept much less than they are entitled to under the law. The auto accident attorneys at Sullivan & Brill, LLP have the experience and knowledge to ensure clients get the compensation they deserve.

Before agreeing to anything offered by an insurance company, speak free of charge with a New York auto accident attorney from Sullivan & Brill, LLP. If the firm takes your case, it will do so on a contingency basis, charging no attorneys' fees until a settlement or verdict is won.

The firm takes clients in New York City (Manhattan, Bronx, Brooklyn, Queens, and Staten Island), Nassau County, Suffolk County, and Westchester County, as well as the other counties of New York.
